HOLIDAY GIFT IDEAS FOR TRADERS

Free (and almost free) Stocking Stuffers

A “gift certificate” to a Zaner Simulated Trading Account: With a ZanerDayTrader simulated futures account, you'll place orders and get fills just like you might expect when you begin trading for real. But, there's no money on the line and no risk to you. You'll also gain valuable experience trading on one of our order-entry platforms, and build confidence in your futures trading style and approach. Email us at info@zaner.com and we'll mail or fax you back a “Certificate” for a simulated account using our **ZanerDayTrader** platform.

Trading CME FX Futures CD-ROM. On this CD, the Exchange takes a close look at the advantages of using one of the most popular CME product lines. Zaner has just a few of these CD-ROMs left and can mail them only to clients on a first come-first served basis. To order the CD, contact your Zaner broker.

Not to worry, a free download is also available on the CME website at <http://www.cme.com/edu/fx/sem/semform1119047.html>

Futures-themed gifts, all for \$5.00 or less , sold by the Minneapolis Grain Exchange at <http://www.mgex.com/GrainExchangeMerchandise.html>

Books on Trading

The Complete Guide to Day Trading: A practical manual from a professional day trading coach. By Markus Heitkoetter. (2008).

In this three-part guide, Markus Heitkoetter lays out a simple, proven system for trading success. Loaded with easy to use information, proven and reliable strategies and guidelines, and a practical hands-on approach to the industry.

Technical Analysis Tools: Creating a profitable trading system. By Mark Tinghino. (2008)
Mark Tinghino first demystifies the essential technical approaches such as chart patterns and Elliott Wave. Next, he provides techniques that turn the tools into trading programs. Real world examples, objective analysis of how successful traders implement their own trading systems and dozens of charts and graphs.

Trading futures, options and forex is speculative in nature and involves risk of loss. Traders can and do lose money.
